

**ALAMEDA LOCAL AGENCY FORMATION COMMISSION
RESOLUTION NO. 2006-21**

**ADOPTING A SPHERE OF INFLUENCE FOR THE
ALAMEDA COUNTY MOSQUITO ABATEMENT DISTRICT**

WHEREAS, Government Code Section 56425 et seq. requires the Local Agency Formation Commission (LAFCo) to develop and determine the sphere of influence (SOI) of each local governmental agency within the County; and

WHEREAS, Government Code Section 56425(f) requires that LAFCo review and update the adopted SOI boundaries, as necessary, not less than once every five years; and

WHEREAS, Government Code Section 56430 requires that a municipal services review be conducted prior to or in conjunction with a SOI update; and

WHEREAS, LAFCo conducted a municipal services review of the services provided by the Alameda County Mosquito Abatement (ACMA) District and adopted written determinations as required by Government Code Section 56430 on May 11, 2006; and

WHEREAS, the ACMA District was formed in 1930 as an independent district and is governed by a 14 member Board of Trustees.

WHEREAS, the ACMA District's boundary area includes all of Alameda County except for the City of Albany; and

WHEREAS, the ACMA District's SOI was established in 1984 and is coterminous with Alameda County; and

WHEREAS, no change in regulation, land use or development will occur as a result of adopting a countywide SOI which is coterminous with the District's current service boundary; and

WHEREAS, in the form and manner prescribed by law, the Executive Officer has given notice of a public hearing by this Commission regarding the location of this SOI map; and

WHEREAS, the SOI adoption was duly considered at a public hearing held on July 13, 2006; and

WHEREAS, the Alameda LAFCo heard and received all oral and written protests, objections and evidence that were made, presented or filed, and all persons present were given an opportunity to appear and be heard with respect to any matter pertaining to said action.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED that the Alameda LAFCo hereby:

1. Retain existing SOI (coterminous with Alameda County boundary) for the Alameda County Mosquito Abatement District as generally depicted in Exhibit A attached hereto, and adopt the policy that LAFCo should encourage the ACMA District to initiate annexation of the territory within the Albany City limits.
2. Consider the criteria set forth in Government Code Section 56425(e) and determine as follows:
 - a. *The present and planned land uses in the area, including agricultural and open-space lands – County policies support the provision of adequate mosquito abatement services for County residents. County plans include land uses and population growth needing mosquito abatement*
