

Alameda Local Agency Formation Commission

Political Subdivision of the State of California

2023-2026

Study Schedule

Amended March 13, 2024

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (“CKH”) requires Local Agency Formation Commissions (LAFCOs) to review and update spheres of influence for all cities and special districts by January 1, 2008 and every five years thereafter. CKH specifies LAFCOs inform their sphere of influence updates by preparing comprehensive evaluations – municipal service reviews – to determine the availability and adequacy of local governmental services relative to current and future community needs. The collective purpose of these studies is to make LAFCOs more proactive in independently overseeing logical formation and development of local government agencies and their services with increasingly emphasis on promoting accountability and efficiency.

Objective:

This study schedule is intended to serve as a guide to Alameda LAFCO in fulfilling its statutory directives to prepare municipal service reviews and sphere of influence updates during the legislative cycle covering the 2023-2026 period. The study schedule has been prepared in consultation with affected agencies and input from the general public and reflects the Commission’s interests and priorities over the referenced period. The Commission will regularly review and amend, as needed, the study schedule to help track progress as well as adjust to changes in priorities and resources.
